

Monday 13th February 2023 Leadership Training Evaluations

Strongly Agree  Agree 

The objectives of the training were clear, shared at the beginning and throughout

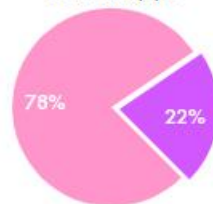

I learnt from working with others

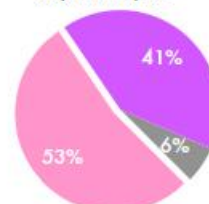

The areas explored in the sessions were relevant to my job

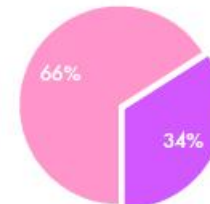

The content covered in the sessions will be useful for my job

I understood the materials and think they will help me

The objectives of the training were met

Two Stars

- Sharing of experiences and learning with others
- Use of different methods to share the message
- Time management was good
- Very good presentation
- Learnt how to communicate with teachers to change for the better
- Active involvement of participants

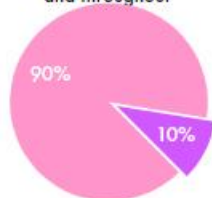

A Wish

- I wish that we could have more training
- I wish this training could be every term
- I wish you could use real examples from schools
- I wish you could assist with school problems

Tuesday 14th February 2023 Leadership Training Evaluations

Strongly Agree  Agree 

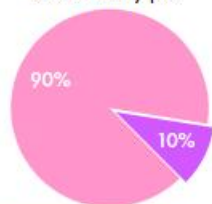

The objectives of the training were clear, shared at the beginning and throughout

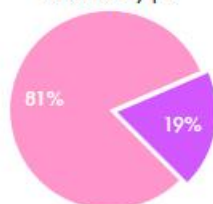

I learnt from working with others

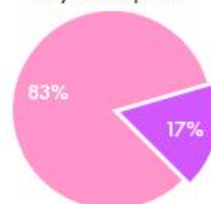

The areas explored in the sessions were relevant to my job

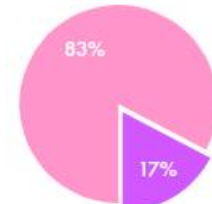

The content covered in the sessions will be useful for my job

I understood the materials and think they will help me

The objectives of the training were met

Two Stars

- I learnt that learners must be included in the running of school

- I learnt good facilitation and time management

- I liked the role play pairing work

- There was very good interaction

- I learnt how to deal with good and poor teachers

A Wish

- I wish that we could have more training

- I would have liked welfare to have been explored further

- I wish that teachers and section heads could be involved in the training

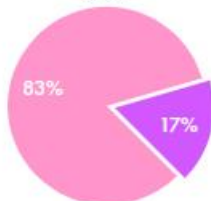

Wednesday 15th February 2023 Leadership Training Evaluations

Strongly Agree  Agree 

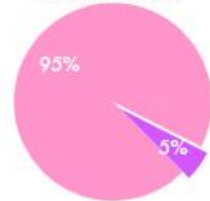

The objectives of the training were clear, shared at the beginning and throughout

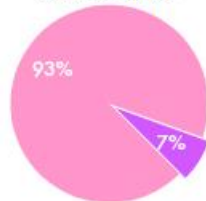

I learnt from working with others

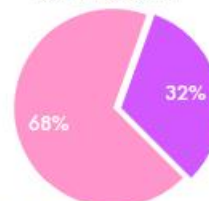

The areas explored in the sessions were relevant to my job

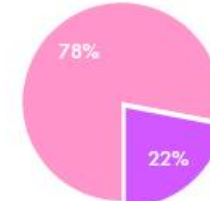

The content covered in the sessions will be useful for my job

I understood the materials and think they will help me

The objectives of the training were met

Two Stars

- The pair work and the role play was good
- The trainers were well prepared
- The training strategies were good and there was more participation

- I learnt different ways of feeding back to staff
- The MNES were explained and were easy to follow
- The methods used by the trainers were very good and eye openers

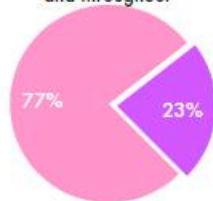

A Wish

- I wish that we could have more training
- I wish we could have much more time for this training
- A lot of headteachers are not conversant with the standards so we need more work on this.
